

GEARS Data Processing

This document describes how Gears processes personal data.

1. Purpose

We process personal data to provide access to GEARS services.

2. Data We Process

Name, surname, student number, educational institution, and IBAN.

3. Legal Basis

Processing is based on user consent and legitimate organizational needs.

4. Retention

Data is kept as long as necessary for membership administration.

5. Contact

For questions, contact GEARS board or data coordinator.
